## President's Message

#### What I Am Thankful For...

I am truly thankful for the opportunity to serve as president of the club this year. So far it has been the experience of a lifetime and well worth the hard work that goes into it. I wouldn't be able to do it without the love and support from my wife and family. I am also continuously amazed by the effort that this club and its members pour into everything that we do, and am especially grateful for the club getting behind the new projects for this year like the Rotary Learning Lab. Happy Thanksgiving to you all!
