

The Okra Brothers Right Back Where We Started

By Gordon Owens
During my official visits to the Columbus area, I was impressed by how the local clubs are working together to serve those in need. Food insecurity, proper medical care and working to reduce violence are just a few challenges Rotarians are tackling in their neighborhood. AG Cedric Hill and I were nicknamed the *Okra Brothers* because we saved a couple cases of okra from the compost pile at the Merci Med garden, but that's only half the story. While it may have been a bit past its prime size to sell, we were convinced it could be put to good use. Cedric made a call to a friend at another non-profit at a local school that teaches students how to grow their own food and how to build a business selling that produce. The director of that program said, "I was just asked if I had okra to use to teach families how to prepare fresh, seasonal produce." After dropping the okra off on the other side of town, it turns out, it will be used for a cooking demonstration in a neighborhood just a couple blocks from where it was harvested. As simple as a couple case of okra may seem to us, by these clubs working together to leverage every available resource, those in need in Columbus are experiencing the *Magic of Rotary*.

**Consider

Foundation

Year-End
Giving**

By Bob Hagan
The quote you see to the left from founder Arch C Klumph is circa 1916. It is every bit as true today as it was when he first uttered it. It is also no more profound than it is at the end of the year. How we close out a year sets the stage for what we wish to accomplish in the ensuing year. December is the time of year when we consider what other tax benefits we hope to employ. Our first thought is always going to be about what positive impact we can have with our gifts this year on the world of today. However, we are also aware of the charitable tax deduction available to us for our outright gifts. There are a number of ways we can do so. Are you aware you can gift using your Individual Retirement Account (IRA)?

By Carol Gray
Walker

We are delighted to announce that the Georgia Laws of Life Essay Contest has exceeded its Meet Our Match campaign goal, raising an incredible \$80,911—far surpassing our \$60,000 target!

This success is a testament to the generosity and dedication of our donors, Rotary Club sponsors, and corporate partners who believe in the power of strong character values. As Helen Keller wisely said, "Alone we can do so little; together we can do so much." Your support inspires students to embrace character values that lead to lifelong success. Together, we are making a difference—one essay, one student, and one life lesson at a time.

Carrollton Dawnbreakers Honors Local Veterans

By Sarah Powell

To honor local veterans this Veteran's Day, the Carrollton Dawnbreakers Rotary Club recently collected clothing and hygiene items and delivered them to the Trink Davis Veterans Village. The village offers primary care and specialty health services, including dentistry, treatment for lung disease, and more to US veterans. One of the most heartwarming aspects of the event was the involvement of Rotary members' children, who played an active role in sorting and organizing supplies for the Veterans Village. By engaging the next generation in hands-on service projects, the Carrollton Dawnbreakers Rotary Club is fostering a sense of responsibility, compassion, and leadership in young people. [more]

Clubs Collaborate to Promote Peace

By Mandy Timmons

The Rotary Clubs of Peachtree City, Senoia, Tyrone, and

Fayetteville joined forces to celebrate a significant milestone at the Healing Bridge Clinic in Peachtree City. Together, we proudly dedicated *The Rotary Room*, a project made possible through grants and the collective service of our clubs.

The day's highlight was the unveiling of a Peace Pole, symbolizing Rotary's unwavering commitment to global peace and understanding. Built and coordinated by DG Gordon Owens, the Peace Pole serves as a poignant reminder of our mission to foster peace locally and globally. DG Gordon shared his heartfelt thoughts, saying, "As Rotarians, we are out in our communities creating peace.... Think about the people that are coming here for healing." [\[more\]](#)

Gordon is a Rotarian of ACTION and nothing is better to honor him than a solid service project. So we took our club meeting "on the road" and met at the Chattahoochee Nature Center, bringing along our traditional fried chicken lunch. While there, we built ADA accessible picnic tables and installed a peace pole.

Dunwoody Supports Family Food Needs for Thanksgiving

By Jackie Cuthbert
The Rotary Club of Dunwoody continued its holiday tradition of helping fill food baskets for local Kingsley Elementary families in need. Led by Honorary Member Anita Augello and her daughter Claudia, our efforts included the purchase of 89 turkeys (in a Publix visit we've come to know as the Turkey Trot), pick up of a massive quantity of food at Costco, assistance with packing the boxes AND with loading very heavy boxes into recipients' carts. The baskets contain a full Thanksgiving dinner and more. Rotary is one of the community groups who come together to deliver these baskets. All Kingsley students will also receive a brand new book this holiday season - as part of another Dunwoody tradition that's been around for nearly 30 years.

End Polio Now **Give the Gift of Polio Eradication**

By Bob Hagan
The Paul Harris quote to the left is certainly well known as it leads us into our Rotary International History page. It hits the reader squarely between the eyes with the fact that no matter what we might think about the things we do, the world will judge us by what they see us do and how it affects the world. Truly a huge responsibility does each of us have as Rotarians. It is up to us to live up to the words of Paul Harris and the ever-critical eyes who keep watch over us. It has been a tougher year in many ways in that area of the world we are most concentrated on as we fight to end Polio on a worldwide basis. Civil unrest compounded by cultural mores make our task ever the harder climb to success, but success is what we still achieved this year, even in the war-torn areas of our very personal fight against the spread of Polio. Bamboo fishing rods being made to the left while catch/release fishing was going on to the right. This first-year event encouraged teams comprised of a youth, a parent-aged person and a grandparent-aged person to work together to build a bamboo fishing rod and then use in the pond at the back of the Roswell Area Park on Woodstock Road. It was a beautiful morning for about 100 folks from all over Roswell to come together to learn how to tie knots, hold a fishing pole and laugh. [more]
