District 6900 & FODAC Deliver Vital Medical Equipment to Texas Flood Survivors

When disaster strikes, Rotary shows up. In late July, District 6900 Disaster Relief Chair Chris Brand, who also serves as President of FODAC (Friends of Disabled Adults and Children), led a critical mission to Texas to support communities recovering from devastating floods - delivering 250 pieces of durable medical equipment to aid survivors in urgent need. District 6900 continues our commitment to disaster response and to the work of FODAC. You can read more about our Texas efforts, our FODAC collection initiatives, and find a link to Chris's recent interview on WABE radio about FODAC's work. [\[more\]](#)

Our Rotary Foundation **Seeing the Forest**

*by Bob Hagan, District
6900 Rotary Foundation
Chair*

By Bob Hagan
Everyone has heard the adage, "You can't see the forest for the trees." It's easy for us to get so caught up in what we are doing and our own projects that we sometimes fail to see how our projects roll up into the big, no really the huge picture of The Rotary Foundation. Even though we don't yet have the final numbers from last year, the numbers we do have are quite impressive. The Rotary Foundation worldwide and the District had a great year. Just in District 6900, we had 19 Global Grants submitted which was a record for the district. And the District contributed over \$69,000 to Zone 34 for Polio Plus, and awarded 59 Community Grants and seven Competitive Grants. And that's just a piece of the story. [more]

To remember their dear friend, the Rotary Club of Americus, in partnership with the GSW Foundation, created the Americus Rotary Club's J. Thurston Clary Memorial Scholarship Endowment.
